POSITION DESCRIPTION

Under the Executive Director's administrative direction, the Clinical Administrator plans, organizes, directs, and evaluates the treatment programs and clinical support functions at Salinas Valley Psychiatric Program (SVPP). The Clinical Administrator is one of the SVPP's executive managers and, as such, serves as a member of the Executive Director's policy setting staff. The Clinical Administrator ensures that all clinical service programs and departments comply with established SVPP's policies and procedures. The Clinical Administrator functions to provide policy making decisions, administration, implementation, and oversight of the clinical operations of a health care organization and to relieve the Executive Director in times of absence from the facility. The Clinical Administrator also takes actions required to implement the key priorities discussed in the 2011 Transition Plan Documents; ensures expenditures are accountable, adhered to or adjusted accordingly, and do not exceed the annual budget allocation; and ensures allocation of funds to proper needs and improved tracking and reporting to ensure fiscal transparency and accountability.

The Clinical Administrator directly supervises the Program Directors, Senior Psychologists, and other professional or support staff, as assigned.

MINIMUM QUALIFICATIONS

Applicants must meet the following minimum qualifications:

Either I

Must be a State civil service employee with permanent civil service status or who previously had permanent status in the State civil service.

Or II

Must be a current or former employee of the Legislature, with two or more consecutive years as

defined in Government code § 18990.

Or III

Must be a current or former non-elected exempt employee of the Executive Branch with two or more consecutive years (excluding those positions for which salaries are set by statute) as defined in Government Code § 18992.

Or IV

Must be a person retired from the United States military, honorably discharged from active military duty with a service-connected disability, or honorably discharged from active duty as defined in Government Code § 18991.

KNOWLEDGE AND ABILITIES

Applicants must demonstrate the ability to perform high administrative and policy – influencing functions effectively. Such overall ability requires possession of most of the following more specific knowledge and abilities:

(1) Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices, and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; and personnel management techniques; the department's or agency's Equal Employment Opportunity Program objectives; and a manager's role in the Equal Employment Opportunity Program.

(2) Ability to plan, organize, and direct the work of multidisciplinary professional and administrative staff; analyze administrative policies, organization, procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide range of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public, and the Legislature and Executive branches; analyze complex problems and recommend effective courses of action; and prepare and review reports; and effectively contribute to the department's or agency's Equal Employment Opportunity objectives.

These knowledge and abilities are expected to be obtained from the following kinds of experience with substantial participation in the formulation, operation and/or evaluation of program policies (experience may have been paid or volunteer; in State service, other government settings, or in a private organization):

CEA Level 1. Supervisory/administrative experience in a line or staff activity, including the execution and/or evaluation of program policies.

CEA Levels 2 and 3. Broad administrative or program manager experience with substantial participation in the formulation, operation, and/or evaluation of program policies.

CEA Levels 4 and 5. Extensive managerial and program administrative experience which has included substantial responsibility for a combination of management functions such as program planning; policy formulation; organization coordination and control; and fiscal and personnel management. Where high technical professional qualifications are of primary importance in performing the duties of a given CEA position, then the above required experience may have been in a staff capacity exercising professional skills to influence and contribute to program, policy, and methods of providing those professional services. Primary examples are medical doctors and attorneys.

DESIRABLE QUALIFICATION(S)

1. Knowledge of the principles, procedures, and techniques used in planning, evaluating and administering a multidisciplinary client treatment organization.
2. Knowledge of California laws and rules pertaining to the administration of a psychiatric facility, and the Joint Commission's policies and standards.
3. Knowledge of the mental health recovery model based on the concept of recovery from severe mental disorders and its application in an inpatient psychiatric facility.
4. Ability to understand and apply the concepts of Continuous Quality Improvement within the organization.
5. Demonstrated leadership and management experience working in a psychiatric facility, in addition to showing initiative and independence of action in policy and decision-making.
6. Demonstrated ability to establish program monitoring and evaluation processes.
7. Knowledge of the establishment of the new Department of State Hospitals; and the actions required to implement the key priorities discussed in the Transition Plan Documents - www.dmh.ca.gov/news/Transition_Plan.asp.

EXAMINATION INFORMATION

A minimum rating of 70% must be attained to obtain list eligibility. Hiring interviews may be conducted with the most qualified candidates. All candidates will receive written notification of their examination results. The result of this examination will be used only to fill the position of **Clinical Administrator, Salinas Valley Psychiatric Program**, with the **DEPARTMENT OF STATE HOSPITALS**. Applications will be retained for twelve months.

The results of this examination will be used only to fill this position.

1. The examination process will consist of an evaluation of the candidate's application, resume, and Statement of Qualifications. The Statement of Qualifications must identify the applicant's experience, education, certification, and training in his/her response to the aforementioned "Desirable Qualifications." The Statement of Qualifications serves as documentation in responding to the Desirable Qualifications.
2. The Statement of Qualifications must indicate your total years of experience and civil service classification (if applicable) performing each of the desirable qualifications.

3. The screening committee will independently rate each applicant's experience, education, certification, and training for the position against specific job-related criteria developed from the minimum and desirable qualifications. Therefore, it is critical that each applicant include specific information on how his/her experience, education, certification, and training meet the minimum qualifications and desirable qualifications for this exam.
4. The Statement of Qualifications must follow these guidelines:
 - a) Answer each Desirable Qualification separately indicating the corresponding item number for each response.
 - b) Responses are to be complete, specific, clear, and concise.
 - c) Responses must be typewritten or generated on 8½" x 11" paper, using no smaller than a 12-point font.
 - d) Should be no more than three (3) pages in length.
5. Based upon the screening committee's evaluation of the competitive group, interviews may be conducted with only the most qualified candidates.
6. All candidates will be assigned a rating and will be notified in writing of their final scores. In order to be successful in this examination, candidates must attain a minimum rating of 70.00%. The results of this examination will be used to establish an employment list for the Clinical Administrator, Salinas Valley Psychiatric Program, with the Department of Mental Health. The list will be used to fill the Clinical Administrator position at Salinas Valley Psychiatric Program with the Department of Mental Health.

FILING INSTRUCTIONS

Interested applicants must submit:

- A completed Standard State Application (Form 678).
- A "Statement of Qualifications". The Statement is a narrative discussion of how the candidate's education, training, experience, and skills meet the minimum and desirable qualifications and qualify them for the position. The Statement of Qualifications serves as a documentation of each candidate's ability to present information clearly and concisely in writing and should be typed and no more than three pages in length. Applicants who fail to submit the Statement of Qualifications will be eliminated from this examination process.
- Resumes do not take the place of the Statement of Qualifications.

Applications must be submitted by the final filing date to:
